Principal's Report

Dear Parents & Carers,

Firstly, I would like to say a huge thankyou to our students and families for their support during this time. It is great to see the work that many of our students are completing. Please remember do what you can! If your child is having difficulty with an activity, help them, but remember that this is their learning and doing it for them is not beneficial to your child. Please write on the work if your child is having difficulty and/or contact your child's teacher.

As Week 3 approaches, there will be changes to the way that we are doing things at Wyong Creek PS, as at all other schools in NSW. We have worked hard for all students in the one family to attend on the same day. Your children will be with their class teacher on the day they attend. I contacted all families last week and informed them of the day their child has been allocated to attend school. It is important that students bring their Learning from Home pack and their textbooks on that day. A reminder that school hours have not changed and that students enter the school via the gate near the mailbox. Staff will bring them to that point in the afternoon for pick up.

Please remember if your child is unwell it is important that they remain at home, this will keep all students and staff safe.

Week 3's Learning from Home packs will be available on Monday morning for all families. Students that are scheduled for Monday at school will need to bring Week 2's work back and we will distribute their new pack to them at school.

At present, we are not sure how long Phase 1 (1 day a week) will continue for however, I am planning Phase 2 (2 days a week). I will let families know of any new information as soon as I receive it. Thank you for your understanding.

Please look after yourselves!

Kind regards
Sharlene Percival
